## ARTWORK SPECIFICATIONS

### Size

- The finished piece of art should be in a portrait shape approximately 246 x 176mm (this includes 3mm bleed each side that will be trimmed off). Please be aware of the scale provided on the die line, and also the areas to avoid placing text.
- We have provided template files for Adobe InDesign, Illustrator and Photoshop. Visit [openbookhowden.com.au/competition](http://openbookhowden.com.au/competition) to download these.

### Entry

- To enter, visit [openbookhowden.com.au/competition](http://openbookhowden.com.au/competition), complete the entry form, and upload your file.
- We must receive a completed entry form with every entry, with consent provided by a parent or caregiver.
- Entries must include an uploaded proof file no larger than 2MB. Please retain original artwork/designs as these will be required for diary production.

### Artwork

- The cover art can be a drawing, painting, photograph, or graphic design piece and it can be of anything you choose, however, we remind you that your submission is a reflection of you as an artist, a representation of your school and it will be used in schools nationally.
- If desired, the provided Adobe InDesign, Illustrator and Photoshop templates may be used to set up your artwork.
- Please upload web suitable PDFs or images but ensure that you keep your original artwork/designs as these will be required for print-ready, high-resolution artwork files. If your piece is selected as the winner, we will be in contact to arrange a file transfer.

## POSTER FOR YOUR SCHOOL

We have created a poster for both Primary and Secondary years that you can print and use around your school, you can download these from our website [openbookhowden.com.au/competition](http://openbookhowden.com.au/competition).

## PRIZE

There will be one winning entry for Primary years and one for Secondary years. These two winners will become the cover artists for our 2022 diaries. Plus, you will win:

- \$100 Dymocks Book Vouchers for the winning student
- \$100 Dymocks Book Vouchers for the school
- And a free custom diary design to the value of \$1000, or \$500 off your 2022 diary order for the school.

## TERMS AND CONDITIONS

This competition is open to all Primary and Secondary school-age students. Entries close on Friday 24 September 2021. The winning entry will be selected and notified by Friday 1 October 2021.

The winning entry will be selected by our Graphic Design & Marketing team, and the criteria by which it will be judged will be based on the Artwork Specifications above.

**To enter, upload your piece of art along with the entry form via [openbookhowden.com.au/competition](http://openbookhowden.com.au/competition). Please ensure that each entry form is completed, including parents/caregivers authorisation. Entries that do not have an entry form filled in will unfortunately not be considered.**

### Privacy statement

Openbook Howden Design & Print will not retain student details for any purpose other than that of this competition, and they will be destroyed once the winner is announced.
